Recovery with Rewards

Our digital treatment program is hyper convenient, discreet, and more than twice as effective as traditional rehab. An app provides access to everything you get from a clinic and more. The gamified experience engages and motivates you with financial rewards. We beat the deadly game of addiction by changing the rules. Join Affect and come win your life back.

Affect’s integrated digital program revolutionizes alcohol and substance use disorder treatment

➔ Financial rewards for recovery progress
➔ Group and individual therapy
➔ Medications to manage cravings
➔ Resources to improve your life, including healthcare, employment, and housing
➔ All delivered through your phone
➔ Covered by most insurance

The first step is the hardest; we make the rest easy. All you have to do is reach out and we’ll reach back to take care of the next steps. Whatever you’re going through, we can handle it.

No rehab. No drama. Just recovery.
